Dear Senator Darling and Representative Vos:

This letter provides the Department of Children and Families' Quarterly report on the Automated Attendance and Tracking System program. On June 22, 2011, the Department issued a Request for Information (RFI) to evaluate technologies available in the marketplace to support automated attendance and billing processes to use in administering the Wisconsin Share program. Vendor responses to the RFI are due on August 30, 2011. The Department will evaluate the submissions to identify feasible and efficient solutions that will ensure the proper use of state and federal dollars in the Wisconsin Shares program.

I appreciate the opportunity to provide an update on the status of the Automated Attendance and Tracking System program and look forward to working with the Committee on strengthening these important services for Wisconsin families.

Sincerely,

Eloise Anderson
Secretary
